#### Knowledge Building Blocks

- Christians find that understanding God is challenging; people spend their whole lives learning more and more about God.
- Christians really want to try to understand God better and so try to describe God using symbols, similes and metaphors, in song, story, poems and art.
- Christians worship God as Trinity. It is a huge idea to grasp and Christians have created art to help to express this belief.
- Christians believe the Holy Spirit is God's power at work in the world and in their lives today, enabling them to follow Jesus.
