

Year 2: Exciting Explorers

Our theme this term is 'Exciting Explorers' The subject web below shows some of the main areas of learning that will be covered in our class.

Art/DT

As Artists, Year 2 will be recapping their skills of patterns and looking to use their skills to create patterns in printmaking.

In DT children will be learning about waterproof materials, what makes a material waterproof and then putting their knowledge to the test by creating a waterproof shelter

History

As Historians, Year 2 will be learning about individuals that are significant to the local area. We will be studying Edward Wilson. This will involve looking at explorers, why exploration was important in the early 1900s and how exploration has changed over time.

Geography

As Geographers, Beech class will be learning about continents and comparing hot and cold places around the world. We will also be linking our learning to our history topic by using maps and compass points to find places around the school.

Science

As scientists, Year 2 will be linking their learning to their DT by studying materials. This will include looking at the properties of different materials as well selecting suitable materials to build a shelter.

PSHCE

In class 2, we will be learning about money and the importance of money in day-to-day living. We will also be looking at our environment and how to best look after our local environment.

Computing

Year 2 will be studying laptops and what makes something portable. They will look at the components of a laptop and how to use them. We will also begin our coding module by using simple coding instructions on purple mash.

RE

In RE, children will be studying Islam and Judaism. This includes learning about the beliefs of the Muslim and Jewish religions.

Music

In music, Year 2 will be learning about tempo and beat. This will involve learning new songs as well playing along with familiar songs.

English

In English, children will be focusing on the books 'Tin forest' and 'Tidy'. We will be using these books as a basis for many of our writes including, poems, diary entries and narratives.

Mathematics

This term we will be looking at the concepts of multiplication and division, money, length and mass.

PE

In PE we will be exploring a 'happy, healthy heart.' This will build on last term's learning by using our fundamental movement skills in exercise routines.

Our Christian value this term is truthfulness

Caring, curious, confident learners

Be the best you can be; together we grow from acorns to oaks, flourishing in God's love.

This term's value is- Trust
