

Christian Value Friendship

'Be the best you can be; together we grow from acorns to oaks, flourishing in God's love.'

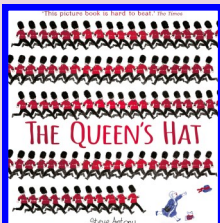

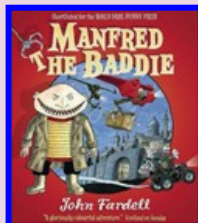

Year 1 Exploration and Invention!

Helping all children to become caring, confident and curious young people.

The subject web below shows some of the main areas of learning that will be covered in our class over the Spring term.

English

Phonics

We will be continuing on our Little Wandle Letters and Sounds journey as we excitedly prepare for our Phonics Screening Check!

Music

What songs can we sing to help Us through the day?

How does music teach us about looking after our planet?

RE

We have two exciting questions to answer in RE this term.

Who is Jewish and how do they live?

What makes some places sacred to believers?

Maths

As mathematicians, we will be looking at Multiplication and Division, Fractions, Place Value within 100, Geometry (position and direction) and Measurement (time).

+ - × ÷ =

PE

PE will be on **FRIDAY** in Summer Term.

We will be learn some tactics for different invasion games - including moving, jumping, dodging and running with and without a ball! We will then hone our athletic skills in preparation for Sports Day!

Science

This term, we will be studying **plants** and **Scientists and Inventors**. We will learn about a variety of familiar and less familiar plants, including trees. We will then learn about scientists like Mae Jamison and the inventors behind **Lego**!

PSHE

This term, Harold the Giraffe and his friends will help us look at the skills for life which include **Being my Best** and how we are

Growing and Changing.

Art and DT

In **art**, we will learn the basics of weaving in **Craft and Design: Woven Wonders**. In **DT**, we will learn to make a simple hand puppet using textiles and a moving vehicle with wheels and axles!

Computing

Computing this term will be all about using directional language and an introduction to coding!

History

This term, we will be asking and answering the question **How have explorers changed the world?** We will know what an explorer is and recognise the achievements of explorers like **Dame Ellen MacArthur**, Matthew Henson, Robert Peary, Mary Kingsley and **Christopher Columbus**. We will consider how exploration has changed over time and the significance of some people and events within history.

Geography

Then, in **What is it like to live in Shanghai?** we will 'voyage' to Shanghai and conduct comparisons between the UK and China, Bream and **Gloucester** compared with **Shanghai**.
