

Year 4

Vikings

&

Rivers

Christian Value: **Trust**

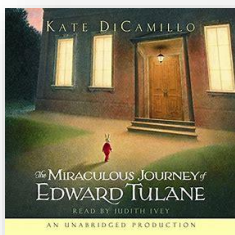

'Be the best you can be; together we grow from acorns to oaks, flourishing in God's love.'

The subject web below shows some of the areas we will be covering in Elm Class throughout the summer term.

English

This term, Year 4 will be developing their creative writing skills. We will be writing stories, persuasive texts and non-chronological reports. We will also be reading *The Miraculous Journey of Edward Tulane* by Kate DiCamillo.

Mathematics

As well as finishing our work on fractions, we will work with decimals, time and money. We will continue to practice our Times Tables ready for the Government check.

Science

This term, we shall be exploring different ways living things can be grouped. We will also look at habitats and how they change over time. This will include looking at how humans can have a positive and negative impact on their surroundings.

History

We will be studying the Vikings and questioning whether they were raiders, invaders, traders or settlers.

Art & Design/DT

In art, we will be looking into different shades and tints to create 3D effects. We will also experiment with different painting techniques to create a still life piece.

RE

In RE, we are studying the story of Moses to understand how following God can bring justice.

Computing

We will be creating logos using special types of coding.

Geography

After half term, we shall be looking at rivers and how they are used. We will also study the water cycle.

French

We will be looking at weather and the water cycle in French.

PE

Our PE day is Friday.

We shall develop our net/ball game skills starting with tennis.

Homework

Continue to use TT Rockstars frequently to cement times tables. The children will also be rewarded for reading at least 3 times every week.
