

Year 6

Historical Significance & Fieldwork

Christian Value: Trust

'Be the best you can be; together we grow from acorns to oaks, flourishing in God's love'

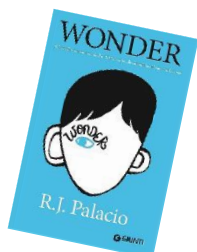

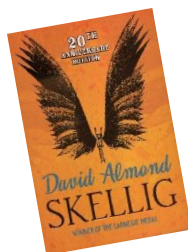

Helping all children to become caring, confident and curious young people.

The subject web below shows some of the main areas of learning that will be covered in our class over the Summer term.

English

Our focus class texts this term are **Skellig** by David Almond and **Wonder** by R.J. Palacio. We will write biographies, formal descriptions, monologues and freeform poetry. We will learn to use pathetic fallacy, stream of consciousness and relative clauses.

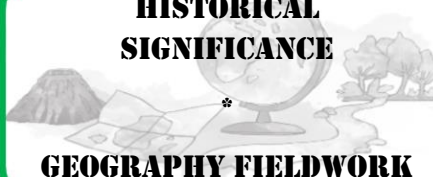

Mathematics

During the Summer term, we will be consolidating our learning in preparation for the End of Key Stage 2 Assessments. We will study shape and geometry. In particular, we will learn how to classify and measure shapes, calculate angles and find the diameter and radius of a circle. Following our shape unit, we will then study four quadrant graphs and plot co-ordinates, translate shapes and reflect shapes. We will see out the year will some maths based projects and some secondary school maths preparation.

Science

In Science, our focus will be studying electricity. We will start by learning about the importance of major discoveries in electricity. After learning about currents, volts, switches and circuits, we will make a functioning dog doorbell for those dogs who wish to come back indoors! We will then study some famous scientists and inventors including Stephen Hawking, Marie Maynard Daly, Alexander Fleming and Mary Leakey.

HISTORICAL SIGNIFICANCE

GEOGRAPHY FIELDWORK

Geography

We will be carrying out an independent fieldwork enquiry.

Our learning will focus on:

- Developing an enquiry question
- Data collection methods
- Planning a route/trip
- Collecting data
- Analysing data
- Presenting data

PSHE

We will be learning about taking risks and first aid. We will then learn about physical and emotional changes as we grow older.

Computing

We will how to create quizzes and understand binary using Purple Mash.

RE

We will be how faith helps people when life gets hard.

French

We will be learning phrases about visiting a French town.

Music

All the learning is focused around two themes: Music and Me, and Reflect, Rewind and Replay.

History

We will learn about people of historical significance.

Our learning will focus on:

- The significance of people on banknotes
- Evaluating the significance of historical figures
- William Tuke
- Mary Seacole
- Sporting people

Art and Design

We will be studying the work of Hannah Hoch and abstract art through photography. We will design and recreate a famous painting.

Design and Technology

In DT, we will be creating a steady hand game. We will identify components and then design a game using a set criteria.

Homework and Reading

Homework and Spelling Lists are given out every Friday. Homework is due in the following Friday and spelling tests take place every Friday.

Pupils should read **at least three times per week** at home. Page numbers and comments should be recorded in their reading records.
