SPRING TERM 2026

Everything we will be learning this term!

Year 4 - Miss Ball

Our books this term:

We will be reading The Iron Man by Ted Hughes, Alice in Wonderland by Lewis Carroll, The Selfish Giant by Oscar Wilde and Demon Headmaster by Gillian Cross. We will be writing newspaper reports, menus and making art relating to the books.

Maths

Our maths topics this term are:
Multiplication and division
Length and perimeter
Fractions
Decimals
It is very important that pupils practice their timetables as often as they can at home!

Upcoming Events

Boogie Bounce:
Every Wednesday.
Last session 11th March

Our other topics:

In History we will be learning about the Anglo-Saxons and Geography will be all about Rivers.

In science, our topics are Energy and Materials.

Our PE session will be Boogie Bounce followed by gymnastics and swimming.

And RE is 'What might Christians learn from the Creation narrative?' followed by 'What beliefs do Hindus hold about the Ultimate Reality?

Spellings:

Spellings can be found on the class page on the Bream website. New spellings are given out every Thursday and pupils are tested the following Friday.

We will also be singing in Music and making lots of amazing art!
