'Be the best you can be; together we grow from acorns to oaks, flourishing in God's love'

Bream Church of England school is part of the Severn Federation Academy Trust, and, as such, follows the Trust Equality Statement and Objectives:

1. Severn Federation Academy Trust Equality Statement

The Severn Federation Academy Trust's vision is to be creative schools learning together in inclusive, inspiring and nurturing Christian communities where all children and adults are loved and achieve their best.

We want to reduce disadvantages, discrimination and inequalities of opportunity, and promote diversity in terms of our pupils, our workforce and the community in which we work. We are committed to promoting the understanding of the principles and practices of equality – treating all members of our Trust as individuals, irrespective of physical appearance, gender, race, religion, ethnicity, socioeconomic background, academic ability, disability, sexual orientation or gender identity, according to their needs, with an awareness of our diverse society and appreciating the value of difference.

We actively seek to challenge discrimination and we promote an anti-bullying stance which makes clear the unacceptability of racist, disablist and homophobic, bi-phobic and transphobic bullying and language.

2. Severn Federation Academy Trust Equality Objectives

The Trust aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010;
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it; and
- Foster good relations across all characteristics – between people who share a protected characteristic and people who do not share it.

3. Bream Church of England School Equality Objectives

Bream school underpins the Trust Equality Objectives with school specific objectives, which are:

- Ensuring equality of access for all pupils and preparing them for life in a diverse society
- Using materials that reflect the diversity of the school, population and local community without stereotyping

'Be the best you can be; together we grow from acorns to oaks, flourishing in God's love'

- Promoting attitudes and values that challenge any discriminatory behaviour or prejudice
- Providing opportunities for pupils to appreciate their own culture and celebrate the diversity of other cultures
- Seeking to involve all parents in supporting their child's education
- Utilising teaching approaches appropriate for the whole school population which are inclusive and reflective of our pupils.
- Our admissions arrangements are fair and transparent and do not discriminate on the grounds of race, gender, disability, belief, sexual orientation/alignment, pregnancy and maternity, marriage and civil partnerships or socioeconomic background.
- All staff appointments and promotions are made on the basis of merit and ability and in compliance with the law. We are keen to ensure that the staffing of the school reflects the diversity of our community.
