

Bream C of E Primary School

'Be the best you can be: together we grow from acorns to oaks, flourishing in God's love.'

20 April 2023

It has been lovely to see all of our children return to school after the Easter break and we have all thoroughly enjoyed the sunshine we have had this week as well!

At the start of this year, we carried out a pupil questionnaire where we asked all of our children lots of questions to gauge their views and feelings about our school, we also wanted to find out what the children felt we could do to improve our school further. Lots of the children talked about the playgrounds and how they would like to see these developed.

So, we are delighted to have been able to take their thoughts and views on board and during the Easter holidays, we have had work carried out to develop and improve our infant playground. They now have a climbing apparatus and AstroTurf has been laid to give them a nice space to sit and play. The children are thoroughly enjoying their playtimes now and the juniors are also getting to use it during their daily miles.

We will soon be re-developing our junior playground as well, adding in some gym equipment and a 'chill out' area with board games on the walls and some AstroTurf for them to sit on and enjoy.
