|-------------|-------------------------------------------------------------------------|
| Geometric   | Mathematical shapes with straight lines, angles and point               |
| Horizontal  | Flat or level with the ground and not at an angle to it                 |
| Irregular   | When shapes or lines are not formed of the same sizes and create shapes |
| Line        | A mark on a surface can be different lengths, widths and create shapes  |
| Mark-making | The creation of different lines, patterns and shapes                    |
| Observation | To look at something carefully                                          |
| Regular     | A consistent size or pattern                                            |
| Texture     | A surface quality that is not flat                                      |
| Vertical    | Pointing straight up at a 90 degree angle from a horizontal base        |

| Different types of lines |               |

### Frida Kahlo

**Born:** 6th July 1907, Mexico

**Died:** 13th July 1954, Mexico

**Mexican painter** best known for her uncompromising and brilliantly coloured self-portraits that deal with such themes as identity, the human body, and death.

As a child, she suffered a bout of polio that left her with a slight limp, a chronic ailment she would endure throughout her life.

**Notable artworks:** Self Portrait with Thorn Necklace and Hummingbird, 1940

Me and My Parrot, 1941
