'Be the best you can be; together we grow from acorns to oaks, flourishing in God's love'

1. Legal Framework: Links to OFSTED & SIAMs Inspections

The [School inspection handbook - GOV.UK](#), sections 344-348 states:

Inspectors will evaluate the effectiveness of the school's provision for pupils' spiritual, moral, social and cultural education. This is a broad concept that can be seen across the school's activities but draws together many of the areas covered by the personal development judgement.

- Provision for the spiritual development of pupils includes developing their:
- ability to be reflective about their own beliefs (religious or otherwise) and perspective on life
- knowledge of, and respect for, different people's faiths, feelings and values
- sense of enjoyment and fascination in learning about themselves, others and the world around them
- use of imagination and creativity in their learning
- willingness to reflect on their experiences

The [SIAMs Framework 2024](#) includes the question:

- How is daily collective worship enabling pupils and adults to flourish spirituality? (IQ3)

2. School Statement on Spirituality

To talk about spirituality is, essentially, to talk about something which is beyond words. To make conversations about spirituality more accessible to every member of our school community, Bream Church of England Primary School has chosen to follow ideas developed by the Education Department at the Diocese of Gloucester.

This language of spirituality begins from a Christian understanding that everyone is a valued creation, individually and uniquely made by God, like pots made by a potter (Isaiah 64:8). Yet, in life things happen that impact on the physical 'pot' of life and create cracks that provide a glimpse of something 'beyond' the tangible. Christians would view this as an opportunity to relate to the Divine Creator God.

Cracks may be caused when something so good and breath-taking happens that the pot expands and cracks - the *wows* of life.

Cracks may happen when something challenging happens and threatens the comfort of everyday - the *ows* of life.

Cracks can also happen in the stillness and ordinariness of everyday - the *nows* of life, when a moment of stillness, a pause or prayer creates a crack in the normal, physical everyday.

In these special moments there is a spiritual opportunity. Kintsugi, the Japanese art of mending broken ceramics with golden joinery or glue, creates something that has been broken into something even more beautiful. Using this metaphor, the *wows*, *ows* and *nows* of life offer the

'Be the best you can be; together we grow from acorns to oaks, flourishing in God's love'

possibility of cracks that are filled with gold and make the pot even more beautiful. The gold in the cracks reflect a little of the wonder of spirituality.

Bream Church of England Primary School uses this language and the concepts of *wows*, *ows* and *nows*. These are used to explore relationships with:

- ourselves
- others
- the wider natural world and beyond
- and offering the invitation to relate to God

3. Aims

Bream Church of England Primary School's Christian Vision:

Our Christian Vision is to be the best you can be: together we grow from acorns to oaks, flourishing In God's love. This is taken from Isaiah – Oaks of Righteousness. This prophecy looks at all sorts of people: broken, weak, naked, hungry and imprisoned. It recognises that God has a sort of bias for these 'poor' people and wants to transform them. We have a real desire and belief that all children from all backgrounds will become magnificent people, making a difference in the world.

In our school community, we seek to recognise the God-given potential of every learner. With enthusiasm, our staff aim to ensure that all children flourish and develop into confident, responsible and selfless members of our community based on shared Christian values.

4. Organisation

The spiritual growth of pupils is not only dependent on learning in RE, opportunities for enhancing the spiritual well-being of learners are developed in every aspect of our school life.

We support the whole school community to share this responsibility and to develop the shared language of spirituality. Opportunities are available for all to develop spiritually in our supportive and nurturing school inspired by our vision and lived out through our Christian values.

This is done through the use of our outdoor area – the children are given opportunities to grow, care for and nurture wildlife and fruit and vegetables through our garden. Children are involved in programmes such as play nurture where they have the time and opportunity to stop and reflect.

Each class has their own reflective area so children have spaces where they can stop and think, have quiet time and reflect on what is going on in their lives. We have identified specific areas which contribute to the spiritual growth of pupils; collective worship, the whole curriculum, including RE and the general ethos of the school within daily life.

'Be the best you can be; together we grow from acorns to oaks, flourishing in God's love'

5. Spirituality in Collective Worship

Collective Worship is the beating heart of Bream C of E Primary School. It provides the opportunity for our school community to share experiences, ideas and understanding. It is the context in which the language of spirituality, which we use as a school, is regularly and explicitly shared.

Collective Worship provides the opportunity for pupils to become aware of the importance of reflection and how our positive and negative experiences can be formative. It also provides a real sense of being present (now moments) which are often linked to invitations to pray.

Through daily Collective Worship, pupils are offered a space and a place for hearing the Christian story. They are offered an understanding of worship by being invited to participate in, or observe, Christian spiritual practices such as: prayer, reading and reflection on the Bible and liturgy and are introduced to different musical traditions.

Opportunities to reflect on the wows of life such as beauty and joy of the world are given, as well as time to reflect and empathise with the ow moments of disappointment or pain. Pupils are given time to consider their responsibilities to others and to grow in love and service. Time is given for celebration, both for the accomplishments of school members and to mark seasonal Christian festivals and celebrations in the calendars of other faiths. In this way pupils are offered time to be able to contemplate and develop spiritually. Collective Worship in Bream C of E Primary School is invitational, inspirational and inclusive.

6. Spirituality in Religious Education

The Church of England's Statement of Entitlement outlines the aims and expectations for Religious Education in Church of England Schools and guides this school's approach to RE and spirituality.

Learning activities in RE provide for the needs of all pupils, offering a safe space to explore their own religious, spiritual and/or philosophical ways of seeing, living and thinking, believing and belonging. They provide opportunities to engage in meaningful and informed dialogue with those of all religions and worldviews, linking these to pupils' ideas of spirituality and the language of *wows*, *ows* and *nows* where appropriate.

For further details, please refer to Bream C of E Primary School's Religious Education Policy and The Church of England's Statement of Entitlement.

7. Spirituality Within the Curriculum

We believe that every child in our school will be able to flourish into confident, responsible and selfless members of our community based on our shared Christian values and vision. We believe that it is important to provide all children with a range of opportunities to help them develop spiritually.

'Be the best you can be; together we grow from acorns to oaks, flourishing in God's love'

We believe that spirituality can be explored through many different curriculum areas and not just within Religious Education and Collective Worship. As a school we focus on starting with our pupils' own 'Big' questions about life and from this we plan and 'dig deep', giving the children the opportunity to investigate, look at different possibilities and put into action what they value, think and believe.

Drawing on the language of *wows*, *ows* and *nows*, conversations around spirituality will be included in classroom teaching when appropriate from Reception to Year 6.

8. Spirituality within the Ethos of the Daily Life of the School

In Bream Church of England Primary School, we view spiritual growth as becoming more and more aware of one's natural, innate spirituality. These opportunities happen throughout each and every day as children deal with delight, disappointment and the chance to be present with themselves.

For this reason, every member of the school community, including MDSA and administrative staff are familiar with the school's shared language of spirituality and will respond to pupils appropriately.

Throughout the daily life of the school, including lunch times and playtimes, pupils know that their references to *wows*, *ows* and *nows* will be heard and taken seriously. They will be encouraged to reflect on these experiences and be comfortable about talking about the golden glue of spirituality.

At Bream Church of England Primary School, we support spiritual growth through our behaviour policies, playtimes, use of play leaders and our use of reflective spaces and prayer stations around the school. We support the children to encourage them to express their thoughts, ideas, feelings and beliefs as well as value and celebrate their uniqueness. Our

'Be the best you can be; together we grow from acorns to oaks, flourishing in God's love'

Christian values help us to be considerate and to think about others – showing respect, courage, trust, forgiveness, friendship and understand the importance of truthfulness.

9. Recording, Monitoring and Evaluation

The Local Academy Committee review the policy every three years in partnership with Senior/Middle Leaders and consider any views expressed by parents, children and staff in order to make any changes or recommendations. Recommendations are fed back to the full governing body and are then actioned as appropriate.

The Local Academy Committee ensures that this policy is fully implemented and that practice is consistent with the school's Christian vision, in line with the school's monitoring policy and schedule for the Local Academy Committee.

10. Roles and Responsibilities

Recognising there are opportunities for enhancing the spiritual well-being of learners in every aspect of our school life, every member of our staff team is committed to support this spiritual growth wherever appropriate.

The Head and Deputy Head Teacher are responsible for supporting and leading spiritual development in our school, including monitoring opportunities for spiritual growth in collective worship, the whole curriculum (including RE) and the general ethos of the school within daily life.

This role also includes:

- Ensuring personal knowledge and expertise are kept up-to-date by participating in CPD and shared good practice
- Providing and sourcing in-service training for staff as necessary
- Ensuring all staff are familiar with the shared language of spirituality
- Acquiring and organising appropriate resources, managing a budget when necessary
- Monitoring the opportunities for spiritual growth through regular observations and learning walks in both formal and informal contexts, discussions with colleagues and pupil voice
- Contributing to the SIAMS self-evaluation process

11. Staff Development and Training

We ensure that all staff, including support staff, receive appropriate training and opportunities for professional development, both as individuals and as groups or teams. ECTs and staff who are new to Bream Church of England Primary School will receive training and support from the staff member identified as leading on spirituality.
